

LETTER TO THE PRINCIPAL

Subject: Invitation for participation in the World's Biggest Spell bee 2020

Respected Principal,
Greetings of the day!!

I take this opportunity to invite your esteemed school and students to participate in the 'World's Biggest Spell Bee' conducted by Humming Bird Education Ltd.

Humming Bird Education Ltd. is the world's only organization in its sector to be **listed on Bombay Stock Exchange** thus making us the 'Biggest Third Party Evaluators'. Humming Bird has served millions of students all across the globe in last 10 years and has been appreciated by global media, prominent celebrities & politicians and renowned educators. We also have been awarded with 'Asia's Greatest Leaders' & 'Asia's Greatest Brands' by **PRICE WATER HOUSE COOPERS P. L.**

Spelling, the art of correctly assembling words from their letters, is one of the key components of successful writing. Being confident in spelling leads to confidence in all aspects of literacy. The ability to recognize the links between word of the same origin and understanding word relationships has been proven to assist comprehension skills.

Research has found that skills in spelling, reading, writing and comprehension are closely linked. A research study conducted for the Scientific Study of Reading found that spelling instruction improves the ability to read as it builds a learner's knowledge of the alphabetic system as it is used in reading.

Teaching young spellers strategies, rules and concepts to increase their knowledge of spelling and vocabulary benefits them in all aspects of their learning as well as in their daily lives.

Learners who feel confident about letters and word patterns can read and understand more complex texts. They also have the necessary language tools to better communicate their own ideas through both written and verbal communication.

For many learners, the relationship between written words and sounds may seem arbitrary and difficult. But building a strong foundational knowledge of the connections between forms, letters, sounds and meaning is essential for students to become confident communicators.

All the information related to the Spell Bee is mentioned on the back side of the letter and the enclosed brochure.

Globally, this is a once in a year opportunity for the students to learn and exhibit their spelling talent. You are requested to approve the Humming Bird Spell Bee to be conducted in your esteemed school for your students. Kindly submit your registration well before the last date which may provide extra time to students for their preparation.

Thanks in anticipation
Warm Regards

Mr. Piyush Khatri
CEO
